

Gavin Doyle

Founder & CEO | EdTech | Maths & PE Teacher | Full-Stack Developer

56 Hazelwood Park, Artane, Dublin 5
Tel: 086 332 2646 | Email: doyle.d.gavin@gmail.com

Personal Profile

Founder of **Examinaite**, an AI-powered Leaving Certificate revision and assessment platform built specifically for Irish students and teachers. A qualified Maths & PE teacher with nearly a decade of classroom experience (4,000+ hours), I combine deep exam-standard knowledge with hands-on full-stack development and applied AI to deliver measurable learning outcomes. Experienced in product design, school partnerships, teacher CPD, and early-stage startup execution.

Education & Professional Qualifications

- **MSc Strength & Conditioning**, University of Ulster — 2022-2023
- **BSc Physical Education with Mathematics**, Dublin City University — 2016-2020
- **Full-Stack Web-Development Certificates** FreeCodeCamp 2024, Harvard CS50x

Professional Experience

Founder & CEO — Examinaite (EdTech Startup)

Feb 2025 – Present

- **Founded and built an AI-powered Leaving Cert revision platform used by 300+ students.**
- **Designed AI-generated exam-style questions aligned with SEC marking schemes.**
- **Secured pilot partnerships with Irish secondary schools.**
- **Led all aspects of the company: product, engineering, curriculum, pricing, GTM, and partnerships.**
- Delivered AI CPD workshops for teachers and school leaders.
- Accepted onto Irish startup incubator/accelerator programmes (NDRC / New Frontiers).
- Managing developers, interns, and external collaborators.
